10.5 **No Waiver or Excuse from Payment.** The liability for assessments may not be avoided or abated by waiver of the use or enjoyment of any common elements, by abandonment of the unit for which the assessments are made, or by interruption in the availability of the unit or the common elements for any reason whatsoever. No unit owner may be excused from payment of his share of the common expenses unless all unit owners are likewise proportionately excused from payment, except as provided below as to certain mortgagees.

10.6 **Application of Payments; Failure to Pay; Interest.** Assessments and installments thereon paid on or before ten (10) days after the due date shall not bear interest, but all sums not paid by the tenth (10th) day shall bear interest at the highest rate allowed by law, until paid. Assessments and installments thereon shall become due, and the unit owner shall become liable for the assessments or installments, on the date established in the Bylaws or otherwise set by the Association for payment. The Association may impose a late payment fee, in addition to interest, as allowed by law. All payments on account shall be applied first to interest, then to late payment fees and attorney's fees and costs, and finally to unpaid assessments as required by law. No payment by check is deemed received until the check has cleared.

10.7 **Acceleration.** If any special assessment or quarterly installment of regular assessments as to a unit becomes more than thirty (30) days past due and a Claim of Lien is recorded, the Association shall have the right to accelerate the due date of the entire unpaid balance of the unit's annual assessment and all special assessments for that fiscal year as if the balance had originally been due on the date the Claim of Lien was recorded. The Association's Claim of Lien shall secure payment of the entire accelerated obligation, together with interest on the entire balance, attorneys fees and costs as provided by law; and said Claim of Lien shall not be satisfied or released until all sums secured by it have been paid. The right to accelerate is exercised by sending to the delinquent owner a notice of the exercise, which notice shall be sent by certified or registered mail to the owner's last known address, and shall be deemed given upon mailing of the notice, postpaid. The notice may be given as part of the notice of intent to foreclose required by Section 718.116 of the Condominium Act, or may be sent separately. The lien shall not be effective for longer than one year after the Claim of Lien was recorded unless, within that time, an action to enforce the lien is commenced.

10.8 **Liens.** The Association has a lien on each condominium parcel securing payment of past due assessments, including interest and reasonable attorney's fees and costs incurred by the Association incident to the collection of the assessment or enforcement of the lien, whether before, during or after a lien foreclosure suit. The lien is perfected upon recording a Claim of Lien in the Public Records of Lee County, Florida, stating the description of the condominium parcel, the name of the record owner, the name and address of the Association, the assessments past due and the due dates. The lien is in effect until barred by law. The Claim of Lien secures all unpaid assessments and charges coming due prior to a final judgment of foreclosure. Upon full payment, the person making the payment is entitled to a satisfaction of the lien.

10.9 **Priority of Lien.** Except as otherwise provided by law, the Association's lien for unpaid assessments shall be subordinate and inferior to the lien of any recorded first mortgage, unless the Association's Claim of Lien was recorded before the mortgage, but is superior to, and takes priority over, any other mortgage or lien regardless of when the mortgage or lien was recorded. Any lease of a unit is subordinate and inferior to any Claim of Lien of the Association, regardless of when the lease was executed. It is the intention of this provision that any first mortgagee which takes title to a Unit shall be liable for unpaid assessments as provided in Section 718.116(1)(b), Florida Statutes (2010), as amended from time to time. It is further the intention of this provision that this liability shall be a liability appurtenant to the Condominium Unit, and shall be in addition to obligations accruing under the Master Declaration, which are a separate obligation of a foreclosing first mortgagee. The Master Association shall obtain the rights of the Condominium for unpaid assessments as a result of the merger of the various Terrace at Heritage Pointe Condominium Associations and the Master Association, and said right shall be in addition to a foreclosing first mortgagee's assessment obligations under the Master Declaration.

10.10 **Foreclosure of Lien.** The Association may bring an action in its name to foreclose its lien for unpaid assessments in the manner provided in the Condominium Act, and may also bring an action to recover a money judgment for the unpaid assessments without waiving any lien rights.

10.11 **Certificate As To Assessments.** Within fifteen (15) days after request by a unit owner, unit purchaser or mortgagee, the Association shall provide a certificate stating whether all assessments and other monies owed to the Association by the unit owner with respect to the condominium parcel have been paid. Any person other than the owner who relies upon such certificate shall be protected thereby. The Association may charge a reasonable fee for the preparation of the certificate.

11. MAINTENANCE; LIMITATIONS UPON ALTERATIONS AND IMPROVEMENTS. Responsibility for the protection, maintenance, repair and replacement of the condominium property, and restrictions on its alteration and improvement shall be as follows:

11.1 **Association Maintenance.** The Association is responsible for the protection, maintenance, repair and replacement of all common elements and association property (other than the limited common elements that are required elsewhere herein to be maintained by the unit owner). The cost is a common expense. The Association's responsibilities include, without limitation:

- (A) Electrical wiring up to the circuit breaker panel in each unit.
- (B) Water lines, up to the individual unit cut-off valve.
- (C) Cable television lines up to the wall outlet.
- (D) Main air conditioning condensation drain lines, up to the point where the individual unit drain line cuts off.
- (E) Sewer lines, up to the point where they enter the individual unit.
- (F) The exterior surfaces of the main entrance door to each unit.
- (G) All exterior building walls, including painting, waterproofing, and caulking.

The Association's responsibility does not include interior wall switches or receptacles, plumbing fixtures, or other electrical, plumbing or mechanical installations located within a unit and serving only that unit. All incidental damage caused to a unit or limited common elements by work performed or ordered to be, performed by the Association shall be promptly repaired by and at the expense of the Association, which shall restore the property as nearly as practical to its condition before the damage, and the cost shall be a common expense unless the need for the work was caused by the unit owner. Regardless of the foregoing, the Association shall not be responsible for incidental damage to any alteration or addition to the common elements made by a unit owner or his predecessor in title.

11.2 **Unit Owner Maintenance.** Each unit owner is responsible, at his own expense, for all maintenance, repairs, and replacements of his own unit and of certain limited common elements. The owner's responsibilities include, without limitation:

- (A) All screens, windows, window glass, and related hardware and frames.
- (B) The entrance door to the unit and its interior surface.
- (C) All other doors within or affording access to the unit.
- (D) The electrical, mechanical and plumbing fixtures, switches, valves, drains and outlets (including connections) located partially or entirely within the unit and serving only the unit.
- (E) The circuit breaker panel and all electrical wiring going into the unit from the panel.
- (F) Appliances, water heaters, smoke alarms and vent fans.
- (G) All air conditioning and heating equipment, thermostats, ducts and related installations serving the unit exclusively.
- (H) Carpeting and other floor coverings.
- (I) Door and window hardware and locks.
- (J) Shower pans.
- (K) The main water supply shut-off valve for the unit.
- (L) Other facilities or fixtures which are located or contained entirely or partially within the unit and serve only the unit.
- (M) All interior, partition walls which do not form part of the boundary of the unit.

11.3 **Other Unit Owner Responsibilities:**

(A) **Porches or Lanais.** Where a limited common element consists of a porch or lanai area, the unit owner who has the exclusive right to use the area shall be responsible for day-to-day cleaning and care of the walls, floor and ceiling bounding said area, if any; and all fixed glass and sliding glass doors in portions of the entrance way to said area, if any; and the wiring, electrical outlet(s) and fixture(s) thereon, if any, and the replacement of light bulbs. The Association is responsible for the maintenance, repair and replacement of all exterior walls of the building and the concrete slabs. No porch or lanai may be covered or enclosed in any way without the prior written approval of the Board of Directors. The maintenance, repair and replacement and insurance of such approved covering or enclosure is the responsibility of the unit owner. Maintenance, repair and replacement of all screening is the responsibility of the unit owner.

(B) **Covered Parking Spaces.** Maintenance of all interior spaces within the covered parking spaces shall be the unit owner's responsibility. Each unit owner shall keep the

property free from grease, dirt and grime. Maintenance of exterior, roof, and structural components of the covered parking space shall be by the Association and shall be a common expense.

(C) **Interior Decorating.** The unit owner is responsible for all decorating within his own unit, including painting, wallpapering, paneling, floor covering, draperies, window shades, curtains, lamps and other light fixtures, and other furnishings and interior decorating.

(D) **Flooring.** All units above the ground floor shall always have the floors covered with wall-to-wall carpeting installed over high quality padding, except carpeting is not required in kitchens, bathrooms or laundry rooms. An owner who desires to install in place of carpeting any hard-surface floor covering (e.g., marble, slate, ceramic tile, parquet) shall also install a sound absorbent underlayment of such kind and quality as to substantially reduce the transmission of noise to adjoining units, and must obtain written approval of the Board of Directors prior to any work being done. If the installation is made without prior approval the Board may, in addition to exercising all the other remedies provided in this Declaration, require the unit owner to cover all such hard-surface flooring with carpeting, or require the removal of such hard-surface flooring at the expense of the offending unit owner.

(E) **Window Coverings.** The covering and appearance of windows and doors, whether by draperies, shades, reflective film or other items, whether installed within or outside of the unit, visible from the exterior of the unit, shall be subject to the rules and regulations of the Association.

(F) **Modifications and Alterations.** If a unit owner makes any modifications, installations or additions to his unit or to the common elements with or without association approval, the unit owner, and his successors in title, shall thereby become financially responsible for:

- (1) insurance, maintenance, repair and replacement of the modifications, installations or additions; and
- (2) all damages to other property or persons caused by such modifications, installations or additions; and
- (3) the costs of removing and replacing or reinstalling such modifications if their removal by the Association becomes necessary in order to maintain, repair, replace, or protect other parts of the condominium property; and
- (4) damage to the modifications, installations or additions caused by work being done by the Association.

(G) **Use of Licensed and Insured Contractors.** Whenever a unit owner contracts for maintenance, repair, replacement, alteration, addition or improvement of any portion of the

unit or common elements, whether with or without Association approval, such owner shall be deemed to have warranted to the Association and its members that his contractor(s) are properly licensed and fully insured, and that the owner will be financially responsible for any resulting damage to persons or property not paid by the contractor's insurance.

11.4 **Appliance Maintenance Contracts.** If there shall become available to the Association a program of contract maintenance for kitchen appliances or water heaters within units and/or air-conditioning compressors and/or air handlers serving individual units, which the Association determines is to the benefit of the owners to consider, then upon agreement by a majority of the voting interests present, in person or by proxy and voting, at a meeting called for the purpose, or upon agreement by a majority of the voting interests in writing, the Association may enter into such contractual undertakings. The costs of such contractual undertakings to the Association shall be common expenses. All maintenance, repairs and replacements not covered by the contracts shall be the responsibility of the unit owner.

11.5 **Alteration of Units or Common Elements by Unit Owners.** No owner shall make or permit the making of any material alterations or substantial additions to his unit or the common elements, or in any manner change the exterior appearance of any portion of the Condominium, without first obtaining the written approval of the ARC, as well as the approval of the Board of Directors, which approval may be denied if the Board of Directors determines that the proposed modifications or alterations would adversely affect, or in any manner be detrimental to, the Condominium in part or in whole. Any glass, screen, curtain, blind, shutter, awning, or other modifications, additions or installations which may be installed where visible from outside the unit, are subject to regulation by the Board of Directors. No owner may alter the landscaping of the common elements in any way without prior Board approval. The Board of Directors may revoke or rescind any approval of an alteration or modification previously given, if it appears that the installation has had unanticipated, adverse effects on the Condominium.

11.6 **Alterations and Additions to Common Elements and Association Property.** There shall be no material alterations or substantial additions to the Common Areas of Heritage Pointe, except as authorized by the Board of Directors. Provided, however, that if any such alteration or addition requires the expenditure of more than \$10,000 in the aggregate in any calendar year in which the work is authorized, the Board shall obtain approval of at least a majority of the Voting Interests of the Association. Material alterations or substantial additions to the Common Elements of individual Condominiums shall be authorized as follows: the Board of Directors may authorize any alteration or addition which does not exceed \$10,000 in the aggregate in any calendar year for the Condominium for which the alteration or addition is proposed. Any material alteration of or substantial addition to the Common Elements of a Condominium exceeding that amount shall be approved by at least a majority of the Voting Interests of the Condominium. Necessary maintenance of the Common Elements or Common Areas of Heritage Pointe, regardless of the level of expenditure, is the responsibility of the Board of Directors.

11.7 **Enforcement of Maintenance.** If after reasonable notice the owner of a unit fails to maintain the unit or its appurtenant limited common elements as required above, the Association may institute legal proceedings to enforce compliance, or may take any and all other lawful actions to remedy such violation, including but not limited to, entering the unit during reasonable hours, with or without notice to or consent of the tenant or unit owner, to repair, replace, or maintain any common elements or of any portion of the unit to be maintained by the Association pursuant to this Declaration. Any expenses incurred by the Association in performing work within the unit as authorized by this Declaration shall be charged to the unit owner, together with reasonable attorney's fees and other expenses or collection, if any.

11.8 **Negligence: Damage Caused by Condition in Unit.** The owner of each unit shall be liable for the expenses of any maintenance, repair or replacement of common elements, other units, or personal property made necessary by his act or negligence, or by that of any member of his family or his guests, employees, agents, or tenants. Each unit owner has a duty to maintain his unit, any limited common element appurtenant to the unit (except those limited common elements required to be maintained by the Association), and personal property therein, in such a manner as to prevent foreseeable and reasonably preventable damage to other units, the common elements or the property of other owners and residents. If any condition, defect or malfunction, resulting from an owner's failure to perform this duty causes damage to other units, the common elements, association property or property within other units, the owner of the offending unit shall be liable to the person or entity responsible for repairing the damaged property for all costs of repair or replacement not paid by insurance. If one or more of the units involved is not occupied at the time the damage is discovered, the Association may enter the unit without prior notice to the owner and take reasonable action to mitigate damage or prevent its spread. The Association may, but is not obligated to, repair the damage with the prior consent of the owner.

11.9 **Association Access to Units.** The Association has an irrevocable right of access to the units for the purposes of protecting, maintaining, repairing and replacing the common elements or portions of a unit to be maintained by the Association under this Declaration, and as necessary to prevent damage to one or more units. The Association's right of access includes, without limitation, entry for purposes of pest control and preventative maintenance of safety equipment, as well as the right, but not the duty, to enter under circumstances where the health or safety of residents may be endangered. The exercise of the Association's rights of access to the unit shall be accomplished with due respect for the rights of occupants to privacy and freedom from unreasonable annoyance, as well as with appropriate precautions to protect the personal property within the unit. The Association may retain a pass-key to all units. If it does, no unit owner shall alter any lock, nor install a new lock, which prevents access when the unit is unoccupied, unless the unit owner provides a key to the Association. If the Association is not given a key, the unit owner shall pay all costs incurred by the Association in gaining entrance to the unit, as well as damage to his unit caused by forced entry, and all damage resulting from delay in gaining access to his unit by the non-availability of a key.

11.10 **Pest Control.** The Association may supply pest control services for the inside of each unit, with the cost thereof being part of the common expenses. An owner has the option to decline such

service unless the Association determines that such service is necessary for the protection of the balance of the Condominium, in which event the owner thereof must either permit the Association's pest control company to enter his unit or must employ a licensed pest control company to enter his unit on a regular basis to perform pest control services and furnish written evidence thereof to the Association. Because the cost of pest control services provided by the Association is a common expense, the election of an owner not to use the service shall not reduce the owner's assessments.

11.11 **Porch or Lanai Enclosures.** The Board of Directors may adopt a basic approved plan for screening and/or glassing-in of porches or lanais, subject to ARC approval. A unit owner may screen or enclose the porch or lanai serving his unit in accordance with the approved basic plans without specific consent from the Board of Directors, provided that such screening or enclosure conforms in all respects to the approved basic plans and specifications therefor.

11.12 **Storm Shutters.** Subject to approval by the ARC, the Board of Directors shall adopt and approve a model, style and color of metal storm shutter as a standard storm shutter for use in the Condominium. No metal storm shutter except of the standard model, color and style adopted by the Board of Directors shall be used in or upon the Condominium. Subject to approval by the ARC, the Board of Directors may adopt and approve one or more model, style and color of fabric storm shutters for use in the Condominium installed only on the inside of the lanai screens.

12. USE RESTRICTIONS. The use of the units and the common elements shall be in accordance with the following provisions, and with Section 5 of the Master Association Declaration, as long as the Condominium exists:

12.1 **Units.** Each unit shall at any time be occupied by only one family, its servants and guests, as a residence and for no other purpose. See Master Association Declaration and Rules and Regulations for guest restrictions. No business, commercial activity or profession may be conducted from any unit, nor may the name of the condominium or the address of any be publicly advertised as the location of any business. The use of a unit as a public lodging establishment shall be deemed a business or commercial use. This restriction shall not be construed to prohibit any owner from maintaining a personal or professional library, from keeping his personal, business or professional records in his unit, or from handling his personal, business or professional telephone calls or written correspondence in and from his unit. Such uses are expressly declared customarily incident to residential use. This Section 12.1 is, however, intended to prohibit commercial or business activity by a unit owner which would unreasonably disrupt the residential ambiance of the building, or make it obvious that a business is being conducted, such as by regular or frequent traffic in and out of the Condominium by persons making deliveries or pick-ups, by employees or other business associates, or by customers and clients.

12.2 **Age.** There is no restriction on the age of occupants of units. All occupants under eighteen (18) years of age must be closely supervised at all times by an adult to insure that they do not become a source of annoyance to other residents.

12.3 **Pets.** Not more than two (2) commonly accepted household pets such as a dog or cat, may be kept by owners in a unit, subject to other reasonable regulation by the Association. In addition, the owner of the unit may keep tropical fish in a tank no larger than 50 gallons and no more than two (2) caged birds. All animals shall be leashed (if outdoors), or kept within the unit and shall not be permitted to roam free. The Association may restrict the walking of pets to certain areas. Owners who walk their pets on the common elements must clean up after their pets. Commercial activities involving pets, including without limitation, boarding, breeding, grooming or training, are not allowed. The ability to keep a pet is a privilege, not a right. If in the opinion of the Board, any pet becomes the source of unreasonable annoyance to others, or the owner of the pet fails or refuses to comply with these restrictions, the owner, upon written notice, may be required to remove the pet from the Condominium. Pets may not be left unattended or leashed in or on porches or lanais. No reptiles, rodents, poultry, amphibians, swine or livestock may be kept on condominium property. Tenants shall not be permitted to have pets.

12.4 **Nuisances.** No owner shall use his unit, or permit it to be used, in any manner that is unreasonably disturbing, detrimental or a nuisance to the occupants of another unit, or which would not be consistent with the maintenance of the highest standards for a first class residential condominium, nor permit the premises to be used in a disorderly or unlawful way. The use of each unit shall be consistent with existing laws, the governing documents and the condominium documents, and occupants shall at all times conduct themselves in a peaceful and orderly manner.

12.5 **Signs.** No person other than the Developer may post or display any signs, banners, and the like, anywhere on the condominium property, including "For Sale," "For Rent," "Open House" and other similar signs. If any sign is erected in violation of this provision, the Declarant, the Master Association, or the Neighborhood Association shall have the right to enter the property on which the sign is located and remove it. The foregoing shall not apply to signs, banners, flags, billboards or advertisements used or erected by Declarant, entry and directional signs installed by Declarant, and signs required by law, nor shall it apply to the respectful display of one portable, removable United States Flag by a unit owner pursuant to Florida Statute §718.113(4).

12.6 **Motor Vehicles; Parking.**

(A) No commercial vehicle of any kind shall be parked in the Condominium except for construction or service vehicles temporarily present on business. The term "commercial vehicle", as restricted under this subsection, is defined as meaning all vehicles of every kind whatsoever which, from the viewing the exterior of the vehicles or any portion thereof, shows or tends to show any commercial markings, signs, displays, equipment, or otherwise indicates a commercial use.

(B) No boat, trailer, semi-tractor trailers, or house trailer of any kind, camper, mobile home, motor home, PODS, bus, truck camper, travel trailers, recreational vehicles, or disabled, inoperative or unlicensed motor vehicle of any kind may be parked or kept in the Condominium. Boats, house trailers, semi-tractor trailers, campers, buses, motor homes,

mobile homes, PODS, truck campers, and the like are permitted to be parked in the Community for loading (once per calendar year) and unloading (once per calendar year) purposes only for a total of two times per calendar year, and then for a maximum of 24 hours each time. Parking for longer periods of time, or for additional loading/unloading occurrences, may be permitted, only with the prior written approval of the Board of Directors.

(C) No motor vehicle shall be parked anywhere other than on paved or other areas designated for that purpose. Parking on lawns or landscaped areas is prohibited.

(D) No motor vehicle shall be used as a domicile or residence, either permanent or temporary.

(E) Passenger automobiles, vans and light pick-up trucks with single rear wheels of no more than one (1) ton designation, in a presentable condition, shall be permitted. The term “vans and light pick-up trucks” is defined to mean vehicles with no more than one (1) ton, rear single wheels or less rated weight carrying capacity.

(F) Any vehicles parked in violation of this Section 12.6 shall be subject to being towed away at the owner’s expense.

12.7 **Covered Parking Spaces.** The one-car covered parking spaces which are limited common elements are intended for the primary purpose of parking operational motor vehicles. No covered parking space shall be permanently enclosed or converted to any other primary use. Repair of motor vehicles, other than emergency repairs, is not permitted.

12.8 **Flags.** Any unit owner may display one (1) portable, removable United States flag in a respectful way and, on Armed Forces Day, Memorial Day, Flag Day, Independence Day, and Veterans Day, may display in a respectful way portable, removable official flags, not larger than 4 ½ feet by 6 feet, that represent the United States Army, Navy, Air Force, Marine Corps, or Coast Guard.

13. LEASING. The lease of a Unit is defined as occupancy of the Unit by any person other than the Unit Owner, whether pursuant to verbal or written agreement, where said occupancy by the non-owner involves consideration (the payment of money, the exchange of goods or services, or any other exchange of value). The term “leasing” and “renting” shall be used interchangeably for the purpose of this Declaration of Condominium. The term “Tenant” and “Lessee” shall likewise be used interchangeably. All leases must be in writing. Should a Unit Owner wish to lease his Unit, he shall furnish the Association with a copy of the proposed lease and the name of the proposed Lessee, as well as all proposed Occupants. Any person occupying the Unit after initial approval shall be subject to a separate application and approval process. The Association shall have thirty (30) days from the receipt of notice and all required information within which to approve or disapprove of the proposed lease or proposed Lessees or Occupants. The Association shall give the Unit Owner written notice of its decision within said period. No individual rooms may be rented and no transient tenants may

be accommodated. "Rent-sharing" and subleasing are prohibited. All leases shall be for a minimum period of thirty (30) days. No lease may begin sooner than thirty (30) days after the beginning of the previous lease. The total number of overnight occupants of a leased Unit is limited to six (6) persons. No pets are permitted in a leased Unit. Leases may be renewed, subject to Board approval. This section shall apply to all Unit Owners, regardless of when the Unit was purchased or title acquired.

13.1 **Board Right of Approval.** The Board of Directors shall have the authority to approve all leases and renewals or extensions thereof, which authority may be delegated to a committee or agent. No person may occupy a Unit as a Tenant, Family member of a Tenant, Occupant, or otherwise without prior approval of the Board of Directors. The Board shall have the authority to promulgate or use a uniform lease application and require such other information from the proposed Tenant and all proposed Occupants as the Board deems appropriate under the circumstances. The Board may require an interview of any proposed Tenant and all proposed Occupants of a Unit, as a condition for approval.

13.2 **Tenant Conduct; Remedies.** All leases shall be on a uniform form of lease or lease addendum if so promulgated by the Association. Uniform leases, addenda and all other leases will provide, or be deemed to provide that the Tenants have read and agreed to be bound by this Declaration, Articles of Incorporation, Bylaws, and Rules and Regulations as the same may be amended from time to time (the "Condominium Documents"). The uniform lease or addendum and other leases shall further provide or be deemed to provide that any violation of the Condominium Documents shall constitute a material breach of the lease and subject the Tenant to eviction as well as any other remedy afforded by the Condominium Documents or Florida law. If a Tenant, other Unit Occupant, Guest or Invitee fails to abide by the Condominium Documents, the Unit Owner(s) shall be responsible for the conduct of the Tenants, Occupants, Guests and Invitees and shall be subject to all remedies set forth in the Condominium Documents and Florida law, without waiver of any remedy available to the Association as to the Tenant. The Unit Owner shall have the duty to bring his Tenant's conduct (and that of the other Unit Occupants, Guests and Invitees) into compliance with the Condominium Documents by whatever action is necessary, including without limitation the institution of eviction proceedings without notice to cure, where legally permissible. If the Unit Owner fails to bring the conduct of the Tenant into compliance with the Condominium Documents in a manner deemed acceptable by the Association, the Association shall have the authority to act as agent of the Unit Owner to undertake whatever action is necessary to abate the Tenants' noncompliance with the Condominium Documents (or the other noncompliance of other Occupants, Guests or Invitees), including without limitation the right to institute an action for eviction against the Tenant in the name of the Association in its own right, or as agent of the Unit Owner. The Association shall have the right to recover any costs or fees, including attorney's fees, incurred in connection with such actions, from the Unit Owner which shall be secured by a continuing lien in the same manner as assessments for Common Expenses, to wit, secured by a Lien for Charges. Any uniform lease or lease addendum will provide, or be deemed to provide that the Association shall have the authority to direct that all rental income related to the Unit be paid to the Association until all past due and current obligations of the Association have been paid in full,

including but not limited to all past due Assessments, Charges, other monetary obligations, late fees, interest, attorneys' fees and cost and expenses of collection.

13.3 **Security Deposit.** The Board of Directors shall have the authority, as a condition of granting approval to a lease or renewal or extension thereof, to require that a prospective Lessee or Unit Owner place a security deposit in an amount not to exceed the equivalent of one month's rent into an escrow account maintained by the Association to protect against damage to the Common Elements or Association Property. Payment of interest, claims against the deposit, refunds, and disputes under this paragraph shall be handled in the same fashion as provided in Part II of Chapter 83 of the Florida Statutes (2011) as amended from time to time.

13.4 **Approval Process; Disapproval.** Any Unit Owner intending to lease his Unit shall submit a copy of the proposed lease, an application, and any other requested information and required fees at least thirty (30) days in advance of the commencement of the lease or renewal or extension term. Upon receipt of all information and fees required by Association and an interview (if requested by the Board), the Association shall have the duty to approve or disapprove all proposed leases within thirty (30) days of receipt of such information for approval and the completion of the Tenant/Occupant interview (if required), by sending written notification to the Unit Owner within such time frame. All requests for approval not acted upon within thirty (30) days shall be deemed approved. Applications for renewals or extensions of lease agreements shall be submitted at least thirty (30) days in advance of the expiration of the lease agreement. If the Association disapproves a proposed lease or renewal or extension, the Unit Owner shall receive a short statement indicating the reason for the disapproval, and the lease shall not be made, renewed, or extended. The Association shall neither have a duty to provide an alternate Lessee nor shall it assume any responsibility for the denial of a lease application if any denial is based upon any of the following factors:

- (A) The person seeking approval (which shall hereinafter include all proposed Occupants) has been convicted of a crime involving violence to persons, a crime demonstrating dishonesty or moral turpitude or any felony;
- (B) The application for approval on its face, facts discovered in connection with the Association's investigation, or the conduct of the applicant, indicate that the person seeking approval intends to conduct himself in a manner inconsistent with the Condominium Documents. By way of example, but not limitation, a Tenant taking possession of the premises prior to approval by the Association as provided for herein shall constitute a presumption that the applicant's conduct is inconsistent with the Condominium Documents and may constitute grounds for denial;
- (C) The person seeking approval has a history of disruptive behavior or disregard for the rights and property of others as evidenced by his conduct in other housing facilities or associations, or by his conduct in this Condominium as a Tenant, Occupant or Guest;

(D) The Unit Owner or person seeking approval has failed to provide the information, fees, or appearances required to process the application in a timely manner;

(E) All Assessments, fines and other Charges and monetary obligations against the Unit and/or Unit Owner have not been paid in full.

13.5 **Liability.** The liability of the Unit Owner under the Condominium Documents shall continue notwithstanding the fact that he may have leased or rented his interest in the Unit as provided herein.

13.6 **Association Fee.** The Unit Owner or Lessee seeking approval of a lease of a Unit shall pay a transfer fee for each applicant in an amount determined by the Board, which unless otherwise specified, shall be the maximum amount permitted by law. No charge shall be made in connection with an extension or renewal of a lease.

13.7 **Use of Common Elements and Common Areas.** To prevent overtaxing the facilities, a Unit Owner whose Unit is leased may not use the recreation facilities during the lease term.

14. OWNERSHIP OF UNITS. The transfer of ownership of units shall be subject to the following restrictions:

14.1 **Notice to Association.** An owner intending to sell his unit shall give the Association written notice of such intent at least seven (7) days prior to the closing of the sale, including the name of the purchaser and such other information about the purchaser as the Association may reasonably require. A new owner acquiring title shall provide to the Association a copy of the recorded deed, or other instrument evidencing title, within thirty (30) days after the transfer occurred.

14.2 **Life Estate.** A unit may be subjected to a life estate, either by operation of law or by a voluntary conveyance. In that event, the life tenant shall be considered the record owner of the Condominium Association and the regular member of the Master Association from such unit, and occupancy of the unit shall be as if the life tenant was the only owner. The life tenant shall be liable for all assessments and charges against the unit. Any consent, approval or vote required may be given by the life tenant, and the consent or approval of the holders of the remainder interest shall not be required. If there is more than one life tenant, they shall be treated as co-owners for purposes of determining voting and occupancy rights.

15. INSURANCE. In order to adequately protect the Association and its members, insurance shall be carried and kept in force at all times in accordance with the following provisions:

15.1 **By the Unit Owner.** Each unit owner is responsible for insuring his own unit, and the personal property therein; all floor, wall and ceiling coverings; all built-in cabinets, appliances, water heaters, air conditioning and heating equipment, and electrical fixtures that are located within the unit and required to be repaired or replaced by the owner; and all alterations, additions and improvements made to the unit or the common elements by the owner or his predecessors in title. Each unit owner is expected to carry homeowner's insurance, with endorsements for leakage,

seepage and wind-driven rain, additions and alterations, and loss assessment protection, or recognize that he bears financial responsibility for any damage to his property or liability to others that would otherwise be covered by such insurance.

15.2 **Association Insurance; Duty and Authority to Obtain.** The Board of Directors shall obtain and keep in force the insurance coverage which it is required to carry by law and under the condominium documents, and may obtain and keep in force any or all additional insurance coverage as it deems necessary. The name of the insured shall be the Association and the unit owners without naming them, and their mortgagees, as their interests shall appear. To the extent permitted by law, the Association may self insure.

15.3 **Required Coverage.** The Association shall maintain adequate insurance covering the buildings and other improvements on the condominium property that the Association is required to insure, as well as all association property, in such amounts, and with such deductibles, as is determined annually by the Board of Directors to be reasonable in the exercise of its good business judgment, such insurance to afford at least the following protection:

(A) **Property.** Loss or damage by fire, extended coverage (including windstorm), vandalism and malicious mischief, and other hazards covered by what is commonly known as an “all risk” property contract.

(B) **Liability.** Premises and operations liability for bodily injury and property damage in such limits of protection and with such coverage as are determined by the Board of Directors, with cross liability endorsement to cover liabilities of the unit owners as a group to a unit owner.

(C) **Automobile.** Automobile liability for bodily injury and property damage for owned and non-owned motor vehicles, in such limits of protection and with such coverage as may be determined by the Board of Directors.

(D) **Statutory Fidelity Bond.**

15.4 **Hazard Insurance.** Every hazard insurance policy issued or renewed on or after January 1, 2004, to protect the condominium shall provide primary coverage for:

(A) all portions of the condominium property located outside the units;

(B) the condominium property located inside the units as such property was initially installed, or replacements thereof of like kind and quality and in accordance with the original plans and specifications or, if the original plans and specifications are not available, as they existed at the time the unit was initially conveyed; and

(C) all portions of the condominium property for which the declaration of condominium requires coverage by the Association.

Anything to the contrary notwithstanding, the terms “condominium property,” “building,” “improvements,” “insurable improvements,” “common elements,” “association property,” or any other term found in the declaration of condominium which defines the scope of property or casualty insurance that a condominium association must obtain shall exclude all floor, wall, and ceiling coverings, electrical fixtures, appliances, air conditioner or heating equipment, water heaters, water filters, built-in cabinets and countertops, and window treatments, including curtains, drapes, blinds, hardware and similar window treatment components, or replacements of any of the foregoing which are located within the boundaries of a unit and serve only one unit and all air conditioning compressors that service only an individual unit, whether or not located within the unit boundaries. Every hazard insurance policy issued or renewed on or after January 1, 2004, to an individual unit owner shall provide that the coverage afforded by such policy is excess over the amount recoverable under any other policy covering the same property. Each insurance policy issued to an individual unit owner providing such coverage shall be without rights of subrogation against the Association. All real or personal property located within the boundaries of the unit owner’s unit which is excluded from the coverage provided by the Association as set forth above shall be insured by the individual unit owner.

15.5 **Optional Coverage.** The Association may purchase and carry other such insurance coverage as the Board of Directors may determine to be in the best interest of the Association and unit owners. Some of the more common options include:

- (A) Flood insurance.
- (B) Broad Form Comprehensive General Liability Endorsement.
- (C) Directors and Officers Liability.
- (D) Medical Payments.
- (E) Leakage, seepage and wind-driven rain.
- (F) Endorsement for loss by operation of local ordinance.

15.6 **Description of Coverage.** A detailed summary of the coverages included in the master policies, and copies of the master policies, shall be available for inspection and copying by unit owners or their authorized representatives upon request.

15.7 **Waiver of Subrogation.** If available and where applicable, the Board of Directors shall endeavor to obtain insurance policies which provide that the insurer waives its right to subrogation as to any claim against the unit owners, or their respective servants, agents or guests, except for any claim based upon gross negligence evidencing reckless, willful or wanton disregard for life or property.

15.8 **Insurance Proceeds.** All insurance policies purchased by the Association shall be for the benefit of the Association, the unit owners and their mortgagees as their interests may appear, and all proceeds from policies purchased by the Association shall be payable only to the Association. The duty of the Association shall be to receive such proceeds as are paid, and to hold the same in trust, and disburse them for the purposes stated herein and for the benefit of the unit owners and their respective mortgagees in the following shares:

(A) **Common Elements.** Proceeds on account of damage to common elements shall be held in as many undivided shares as there are units, the shares of each unit owner being the same as his share in the common elements.

(B) **Units.** Proceeds received on account of damage within the units shall be held in prorated shares, based on the amount of damage within each damaged unit as a percentage of the total damage within all units.

(C) **Mortgagee.** If a mortgagee endorsement has been issued as to a unit, the shares of the mortgagee and the unit owner shall be as their interests appear. No mortgagee shall have the right to require application of insurance proceeds to any mortgage it may hold against a unit, unless insurance proceeds on account of damage to that unit are not used for repairs, or the proceeds exceed the actual cost of repairs or reconstruction. Except as otherwise expressly provided, no mortgagee shall have the right to participate in determining whether improvements will be repaired or reconstructed after casualty.

(D) **Deductibles.** The policies may provide for reasonable deductibles. In the case of property insurance, the deductible shall be paid by the party who would be liable for the loss or responsible for repairs in the absence of insurance. If multiple parties would be responsible, the deductible shall be allocated among them in proportion to the amount each party's loss bears to the total.

15.9 **Distribution of Proceeds.** Insurance proceeds from Association policies shall be distributed to or for the benefit of the unit owners in the following manner:

(A) **Costs of Protecting and Preserving the Property.** If a person other than the person responsible for repair and reconstruction has properly advanced funds to preserve and protect the property to prevent further damage or deterioration, the funds so advanced shall first be repaid, with interest if required.

(B) **Cost of Repair or Reconstruction.** If the damage for which the proceeds are paid is to be repaired or reconstructed the remaining proceeds shall be paid to defray the Costs as provided in Sections 15.8 (A) and (B) above. Any proceeds remaining after repairs and reconstruction shall be distributed to the beneficial owners, remittances to unit owners and their mortgagees being paid jointly to them.

(C) **Failure to Repair or Reconstruct.** If it is determined in the manner elsewhere provided here in that the damages for which the proceeds are paid shall not be reconstructed or repaired, the proceeds on account of that damage shall be distributed to the beneficial owners, remittances to unit owners and their mortgagees being payable jointly to them.

15.10 **Association as Agent.** The Association is hereby irrevocably appointed as agent for each unit owner to adjust all claims arising under insurance policies purchased by the Association for damage or loss to the condominium property.

16. REPAIR OR RECONSTRUCTION AFTER CASUALTY. If any part of the condominium property is damaged by casualty, whether and how it shall be reconstructed or repaired shall be determined as follows:

16.1 **Damage to Units.** Where loss or damage occurs within one or more units, any Association insurance proceeds on account of the loss or damage shall be distributed to the owner(s) of the damaged unit(s) in shares as provided in Section 15.8 above. The owner(s) of the damaged unit(s) shall be responsible for reconstruction and repair, and no other person, including the Association, is liable for the cost thereof in the absence of legal fault.

16.2 **Damage to Common Elements - Less than "Very Substantial"**. Where loss or damage occurs to the common elements, but the loss is less than "very substantial", as hereinafter defined, it shall be mandatory for the Association to repair, restore and rebuild the damage caused by the loss, and the following procedures shall apply:

(A) The Board of Directors shall promptly obtain reliable and detailed estimates of the cost of repair and restoration, and shall negotiate and contract for repair and reconstruction.

(B) If the proceeds of insurance and available reserves are insufficient to pay for the cost of repair and reconstruction of the common elements, the Association shall promptly, upon determination of the deficiency, levy a special assessment against all unit owners in proportion to their shares in the common elements for the deficiency. Such special assessments need not be approved by the unit owners. The proceeds from the special assessment shall be added to the funds available for repair and restoration of the property.

16.3 **"Very Substantial" Damage.** As used in this Declaration, the term "very substantial" damage shall mean loss or damage caused by a common occurrence whereby at least three-fourths (3/4ths) of the total units cannot reasonably be rendered habitable within sixty (60) days. Should such "very substantial" damage occur:

(A) The Board of Directors and the officers, or any of them, are authorized, regardless of any other provision of this Declaration, to take such action as may reasonably appear to be necessary under emergency conditions, as further provided in Section 4.16 of the Bylaws. This authority includes actions to protect life and property, to evacuate or shore-up structures and salvage property, to engage security to protect against looting or other criminal acts, and

to alter the condominium property or association property as might be reasonable under the circumstances to protect the condominium property or association property from further damage or deterioration. This authority includes the authority to expend any and all available association funds, including reserves.

(B) The Board of Directors shall endeavor to obtain comprehensive, detailed estimates of the cost of repair and restoration.

(C) A meeting of the members shall be held not later than sixty (60) days after the Board has obtained the estimates, to determine the opinion of the membership with reference to rebuilding or termination of the Condominium, subject to the following:

(1) If the insurance proceeds, reserves and other association funds available for the restoration and repairs that are the Association's responsibility are sufficient to cover the estimated cost thereof so that it is reasonably anticipated that the repairs and reconstruction can be accomplished without levying a special assessment that exceeds fifteen percent (15 %) of the total annual budget for the condominium in the year in which the casualty occurred, the Condominium shall be repaired and reconstructed unless at least two-thirds (2/3rds) of the total voting interests of the Condominium vote for termination, in which case the Condominium shall be terminated.

(2) If upon the advice of legal counsel and construction experts, it appears unlikely that the then applicable zoning or other regulatory laws will allow reconstruction of the same number and general types of units; or if the insurance proceeds, reserves and other association funds available for restoration and repair are not sufficient to cover the estimated cost thereof, and it is reasonably anticipated that the repairs and reconstruction can be accomplished only by levying special assessments exceeding fifteen percent (15%) of the total annual budget for the Condominium in the year in which the casualty occurred, the Condominium shall be terminated, and the property removed from the provisions of the Condominium Act, unless at least two-thirds (2/3rds) of the total voting interests of the Condominium vote against termination. If the requisite number of unit owners vote against termination, the Board of Directors shall levy such assessments as are necessary, and shall proceed with the necessary repairs and restoration. The proceeds from the special assessments shall be added to the funds available for repair and reconstruction.

(D) If any dispute shall arise as to whether "very substantial" damage has occurred, or as to the amount of special assessments required, a determination by at least two-thirds (2/3rds) of the Directors shall be conclusive, and shall be binding upon all persons.

16.4 **Application of Insurance Proceeds.** It shall always be presumed that monies disbursed for repair and reconstruction come first from insurance proceeds; if there is an excess of insurance proceeds left in the funds held by the Association after the payment of all costs of repair, and reconstruction, such balance shall be distributed to the unit owners, except as otherwise provided in Section 15.8(C) above.

16.5 **Equitable Relief.** In the event of damage to the common elements which renders any unit uninhabitable, if repairs and reconstruction are not begun and completed within a reasonable period of time, the owner of the uninhabitable unit may petition a court for equitable relief, which may include termination of the Condominium and partition of the former condominium property. For purposes of this provision, it shall be conclusively presumed that repair and reconstruction has begun and been completed within a reasonable period of time if substantial work is commenced within six (6) months following the damage or destruction, and is completed within nine (9) months thereafter.

16.6 **Plans and Specifications.** Any repairs or reconstruction must be substantially in accordance with the plans and specifications for the original buildings, or according to different plans and specifications approved by the Board of Directors, by the owners of at least three-fourths (3/4ths) of the units, by the ARC, and by the Primary Institutional Mortgagee, if any. Such approvals may not be unreasonably withheld. However, no change in plans and specifications shall materially reduce the interior floor space of any unit without the consent of the unit owner and his institutional mortgagee, if any.

17. CONDEMNATION.

17.1 **Deposit of Awards with Association.** The taking of all or any part of the condominium property by condemnation or eminent domain shall be deemed to be a casualty to the portion taken. Awards for the taking shall be deemed to be proceeds from insurance on account of the casualty. Even though the awards may be payable to unit owners, the unit owners shall deposit the awards with the Association; and if any fail to do so, a special charge shall be made against a defaulting unit owner in the amount of his award, or the amount of that award shall be set off against any sums payable to that owner.

17.2 **Determination Whether to Continue Condominium.** Whether the Condominium will be continued after a taking by condemnation or eminent domain will be determined in the same manner provided for determining whether damaged property will be repaired or reconstructed or after a casualty.

17.3 **Disbursement of Funds.** If the Condominium is terminated, the proceeds of all awards and other payments will be deemed association property and shall be owned and distributed in the manner provided for insurance proceeds when the Condominium is terminated after a casualty. If the Condominium is not terminated, but the size of the Condominium will be reduced, the owners of units to be diminished or eliminated, if any, will first be made whole, and any property damaged by the taking will be made usable in the manner provided below. Proceeds of awards and special

assessments shall be used for these purposes and shall be disbursed in the manner provided for disbursements of funds after a casualty.

17.4 **Association as Agent.** The Association is hereby irrevocably appointed as each unit owner's attorney-in-fact for purposes of negotiating or litigating with a condemning authority for the purpose of realizing just compensation.

17.5 **Units Reduced but Habitable.** If the size of a unit must be reduced, and the remaining portion of the unit can be made habitable, the awards for the taking of a portion of that unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium:

(A) **Restoration of Unit.** The unit shall be made habitable. If the cost of doing so exceeds the amount of the award, the additional funds required shall be paid by the owner of the unit.

(B) **Distribution of Surplus.** The balance of the award, if any, shall be distributed to the owner of the unit and to each mortgagee of the unit, the remittance being made payable jointly to the owner and mortgagees.

17.6 **Unit Made Not Habitable.** If the condemnation is of an entire unit or reduces the size of a unit so that it cannot be made habitable, the award for the taking of the unit shall be used for the following purposes in the order stated, and the following changes shall be effected in the Condominium:

(A) **Payment of Award.** The award shall be paid to the owner of the unit and to each mortgagee of the unit as their interests may appear, the remittance being made payable jointly to the owner and mortgagee(s).

(B) **Addition to Common Elements.** If possible and practical, any remaining portion of the unit shall become part of the common elements and shall be placed in condition for use by some or all unit owners in a manner approved by the Board of Directors.

(C) **Adjustment of Shares in Common Elements.** The shares in the common elements appurtenant to the units that continue as part of the Condominium shall be adjusted to equitably distribute the ownership of the common elements among the changed number of units.

(D) **Assessments.** If the award to the Association for damage to the common elements resulting from a taking is not sufficient to pay the cost of converting the remaining portions of the unit for use as a part of the common elements, the additional funds required for those purposes shall be raised by special assessment against all unit owners who will continue as owners of units after the changes in the Condominium affected by the taking. The

assessments shall be made in proportion to the shares of those owners in the common elements after the changes affected by the taking.

17.7 **Taking of Common Elements.** Awards for the taking of common elements only shall be used to make the remaining portion of the common elements usable in a manner approved by the Board of Directors. The balance of such awards, if any, shall become part of the common surplus.

17.8 **Amendment of Declaration.** Any changes in units and in the common elements, in the ownership of the common elements, and in the sharing of common expenses that are necessitated by condemnation or eminent domain shall be accomplished by amending this Declaration and Exhibits “A” and “B” in conformity to the changes mandated by Sections 17.5 and 17.6 above. Such amendments need be approved only by the owners of a majority of the units. Approval of, or joinder by, lien holders is not required for any such amendment.

18. **TERMINATION.** The Condominium may be terminated in the following manner:

18.1 **Agreement.** The Condominium may be caused to be terminated at any time by written agreement of the owners of at least three-fourth; (3/4ths) of the units, and the Primary Institutional Mortgagee.

18.2 **Very Substantial Damage.** If the Condominium suffers “very substantial damage” to the extent defined in Section 16.3 above, and it is not decided as therein provided that the Condominium will be reconstructed or repaired, the condominium form of ownership of the property in this Condominium will be terminated.

18.3 **Certificate of Termination.** The termination of the Condominium by either of the foregoing methods shall be evidenced by a Certificate of Termination, executed by the President or Vice-President with the formalities of a deed, and certifying as to the facts effecting the termination. The certificate shall also include the name and address of a Florida financial institution with trust powers, or a licensed Florida attorney, who is designated by the Association to act as Termination Director, and shall be executed by the Director indicating willingness and ability to serve in that capacity. Termination of the Condominium occurs when a Certificate of Termination meeting the requirements of this Section is recorded in the Public Records of Lee County, Florida. The recording of that Certificate of Termination automatically divests the Association and all unit owners of legal title, and vests legal title in the Termination Director named in the Certificate of Termination, to all real and personal property which was formerly the condominium property or association property, without need for further conveyance. Beneficial title to the former condominium and association property is owned by the former unit owners as tenants in common, in the same undivided shares as each owner previously owned in the common elements. Upon termination, each lien encumbering a condominium parcel shall be automatically transferred to the equitable share in the condominium property attributable to the unit encumbered by the lien, with the same priority.

18.4 **Wind-up of Association Affairs.** The termination of the Condominium does not, by itself, terminate the Association. The former unit owners and their successors and assigns shall continue to

be members of the Association, and the members of the Board of Directors and the officers of the Association shall continue to have the powers granted in this Declaration, and in the Articles of Incorporation and Bylaws, for the purpose of winding up the affairs of the Association in accordance with this Section. 18.4 Director's Powers and Duties. The Termination Director shall hold title to the property for the benefit of the former unit owners and their successors, assigns, heirs, devisees, mortgagees and other lien holders, as their interests shall appear. If the former unit owners approve a sale of the property as provided in this Section, the Termination Director shall have the power and authority to convey title to the real property, and to distribute the proceeds in accordance with the provisions of this Section. The Termination Director shall be entitled to reasonable fees for acting in such capacity, and such fees, and all costs and expenses incurred by the Termination Director in the performance of its duties, shall be paid by the Association or paid from the proceeds of the sale of the former condominium and Association property, or other Association assets, and shall constitute a lien on the property superior to any other lien. The Director shall be entitled to indemnification by the Association from any and all liabilities and costs incurred by virtue of acting as Termination Director unless such liabilities are the result of gross negligence or malfeasance. The Termination Director may rely upon the written instructions and information provided to it by the officers, Directors and agents of the Association, and shall not be required to inquire beyond such information and instructions. In the event of the resignation or incapacity of the Director, a successor Director may be appointed by the Circuit Court of the county in which the Condominium is located on the petition of the Association.

18.5 **Partition; Sale.** Following termination, the former condominium property and association property may be partitioned and sold upon the application of any unit owner. If following a termination, at least seventy-five percent (75%) of the voting interests agree to accept an offer for the sale of the property, the Board of Directors shall notify the Termination Director, and the Director shall complete the transaction. In that event, any action for partition of the property shall be held in abeyance pending the sale, and upon the consummation of the sale shall be discontinued by all parties thereto. If the unit owners have not authorized a sale of the former condominium and association property within 1 year after the recording of the Certificate of Termination, the Director may proceed to sell the property without agreement by the former unit owners. The proceeds of the sale of any of the property or assets of the Association shall be distributed by the Termination Director to the beneficial owners thereof, as their interests shall appear.

18.6 **New Condominium.** The termination of the Condominium does not bar creation of another Condominium including all or any portion of the same property.

18.7 **Provisions Survive Termination.** The provisions of this Section 18 are covenants running with the land, and shall survive the termination of the Condominium until all matters covered by those provisions have been completed. The Board of Directors shall continue to function in accordance with the Bylaws and Articles of Incorporation, and shall have the power to levy assessments to pay the costs and expenses of maintaining the property until it is sold. The costs of termination, the fees and expenses of the Termination Director, as well as post-termination costs of maintaining the former condominium property and winding up the affairs of the Association, are

common expenses, the payment of which shall be secured by a lien on the beneficial interest owned by each former unit owner, which to the maximum extent permitted by law, shall be superior to, and take priority over, all other liens.

19. OBLIGATIONS OF OWNERS.

19.1 **Duty to Comply Right to Sue.** Each unit owner, his tenants and guests, and the Association shall be governed by and shall comply with the provisions of the Condominium Act, the Declaration, the documents creating the Association, the Bylaws and the Rules and Regulations. Actions for damages or for injunctive relief, or both, for failure to comply may be brought by the Association or by a unit owner against:

- (A) The Association;
- (B) A unit owner;
- (C) Directors designated by the Developer, for actions taken by them prior to the time control of the Association is assumed by unit owners other than the developer.
- (D) Any director who willfully and knowingly fails to comply with these provisions.
- (E) Any tenant leasing a unit, and any other invitee occupying a unit.

Actions arising under this subsection shall not be deemed to be actions for a specific performance.

19.2 **Waiver of Rights.** The failure of the Association or of a member to enforce any right, provision, covenant or condition which may be granted by the condominium documents shall not constitute a waiver of the right of the Association or member to enforce such right, provision, covenant or condition in the future. A provision of the Condominium Act may not be waived by a unit owner if the waiver would adversely affect the rights of the owner or defeat the purpose of the provision, except that unit owners or Directors may waive notice of specific meetings as provided in the Bylaws. Any written instrument or instruction given by a prospective purchaser or unit owner to an escrow agent may be relied upon by the escrow agent, whether or not such instruction and the payment of funds thereunder might otherwise constitute a waiver of any provision of the Condominium Act.

19.3 **Attorney's Fees.** In any legal proceeding arising out of an alleged failure of a tenant, unit owner or the Association to comply with the requirements of the Condominium Act or the condominium documents, as they may be amended from time to time, the prevailing party shall be entitled to recover the costs of the proceeding and such reasonable attorneys fees as may be awarded by the court.

19.4 **No Election of Remedies.** All rights, remedies and privileges granted to the Association or unit owners under any terms, provisions, covenants, or conditions of the condominium documents shall be deemed to be cumulative, and the exercise of any one or more shall not be deemed to constitute an election of remedies, nor shall it preclude the party from exercising such other additional rights, remedies, or privileges as may be granted by the condominium documents, or at law or in equity.

20. RIGHTS OF MORTGAGEES.

20.1 **Approvals.** Written consent of the institutional mortgagee of a unit shall be required for any amendment to the Declaration which would decrease the percentage interests of the unit in the ownership of the common elements, except as provided in Section 17.6(C) above. Such prior consent of the Mortgagee may not be unreasonably withheld.

20.2 **Notice of Casualty or Condemnation.** In the event of condemnation, eminent domain proceedings, or very substantial damage to, or destruction of, any unit or any part of the common elements, the record holder of any first mortgage on an affected unit shall be entitled to notice.

20.3 **Mortgage Foreclosure.** If the mortgagee of a first mortgage of record acquires title to a condominium parcel as a result of foreclosure of the mortgage, or by a deed given in lieu of foreclosure, the liability of the mortgagee for the share of common expenses or assessments attributable to the condominium parcel, or chargeable to the former owner of the parcel, which came due prior to the mortgagee's acquisition of title shall be governed by the Condominium Act, as it may be amended from time to time. Any unpaid share of common expenses for which such acquirer is exempt from liability becomes a common expense collectible from all unit owners, including the acquirer and his successors and assigns. No owner or acquirer of title to a condominium parcel by foreclosure (or by a deed in lieu of foreclosure) may during his period of ownership, whether or not the parcel is occupied, be excused from the payment of any assessments coming due during the period of such ownership.

20.4 **Redemption.** If proceedings are instituted to foreclose any mortgage or lien on any unit, the Association, on behalf of one or more unit owners and with the permission of the mortgagee, may redeem the mortgage or lien for the amount due thereon and be thereby subrogated to all of the mortgagee's or lienor's rights of action, or the Association may purchase the unit at the foreclosure sale. A mortgagee shall have an unrestricted, absolute right to accept title to the unit in settlement and satisfaction of the mortgage or to foreclose its mortgage in accordance with its terms, and to bid upon the unit at the foreclosure sale.

20.5 **Right to Inspect Books.** The Association shall make available to institutional mortgagees upon request current copies of the recorded condominium documents and the books, records and financial statements of the Association. "Available" means ready for inspection, upon written request, during normal business hours, or under other reasonable circumstances. Photocopies provided at the request of the mortgagee shall be at the expense of the mortgagee.

20.6 **Financial Statement.** Any institutional mortgagee is entitled, upon written request, to a copy of the financial statement or financial report of the Association as delivered, to the owners for the immediately preceding fiscal year.

20.7 **Lender's Notices.** Upon written request to the Association, any institutional mortgagee shall be entitled to timely written notice of:

(A) Any delinquency of sixty (60) days or longer in the payment of assessments or charges owed by the owner of any unit on which it holds a mortgage.

(B) A lapse, cancellation, or material modification of any insurance policy or fidelity bond maintained by the Association.

(C) Any proposed action that requires the consent of a specified number or percentage of mortgage holders.

21. **AMENDMENT OF DECLARATION.** All amendments to this Declaration shall be proposed and adopted as follows:

21.1 **Initiation of Amendments; Approval.** A proposed amendment may be proposed by a majority of the Board of Directors of the Association or by not less than 25% of the Voting Interests of the Association, or as to "Individual Condominium Amendments", as described below, 25% of the Voting Interests of the Condominium. Directors and members not present in person or by proxy at the meeting considering the amendment may express their approval in writing. Approval of Association-Wide Amendments must be by affirmative vote of two-thirds ($2/3^{\text{rds}}$) of the Voting Interests of the Association present, in person or by proxy, and voting at a duly noticed meeting of the Association at which a quorum is present. Individual Condominium Amendments shall be approved by two-thirds ($2/3^{\text{rds}}$) of the Voting Interests of the individual Condominium, present (in person or by proxy) and voting at duly noticed meeting of the Association at which a Class Quorum of Voting Interests Condominium is present. Amendments correcting errors or omissions on any of the Condominium Documents may be approved by the Board of Directors.

21.2 **Individual Condominium Amendments, Association-Wide Amendments.** The Board of Directors of the Association shall have the authority to determine whether to propose and/or apply proposed amendments to only this Condominium (i.e., "Individual Condominium Amendments"), or to all Condominiums (i.e., "Association-Wide Amendments"). In cases where the Board applies the amendment to all Condominiums, the term "Voting Interests of the Association" shall apply to all units operated by the Association, without regard to Condominium by Condominium results. Where the Board authorizes individual Condominium voting, all quorums, voting percentages and the like will be determined on a Condominium by Condominium basis. In all cases, the final decision as to whether to apply "Individual Condominium" or "Association-Wide" voting shall rest with the Board of Directors. Without limiting the generality of this clause, nor the Board's discretion, use restrictions such as pet provisions, lease restrictions and the like shall be applied on an Association-

Wide basis. Conversely, and again without limiting the generality of the foregoing and the Board's discretion, in general, matters such as the allocation of maintenance and repair responsibilities between the individual Unit Owner and the Association, which affect only the financial interests of the members of a particular Condominium, will be considered the type of amendment to be voted upon on an Individual Condominium Amendment basis.

21.3 **Execution and Recording.** Approval of a duly-adopted amendment shall be evidenced by a certificate of the Association which shall include recording data identifying the Declaration or Declarations and shall be executed in the form required for the execution of a Deed. An amendment of the Declaration is effective when properly recorded in the Public Records of Lee County.

21.4 **Effective Date.** An amendment when adopted shall become effective after being recorded in the Lee County Public Records according to law.

21.5 **Proviso.** Provided, however, that no amendment shall change the configuration of any Unit or the share in the Common Elements appurtenant to it, or increase the Owner's share of the Common Expenses, unless the record Owner of the Unit concerned and all record Owners of the mortgages on such apartment shall join in the execution of the amendment, and all other Unit Owners approve the amendment.

21.6 **Condominium Merger.** Heritage Pointe contains six separate condominiums. It is possible that the owners will determine that it is in their best interest collectively to merge any or all of the condominiums into a single condominium, in the manner contemplated by Section 718. 110(7), Florida Statutes (2008), as amended from time to time. Notwithstanding any provision in this Declaration to the contrary, this Declaration and the recorded exhibits thereto may be amended in any way necessary to accomplish that purpose by the written consent of at least one hundred percent (100%) of the voting interests and the approval of all record owners of liens on the condominium property, and no other approval, consent or joinder of any other person shall be necessary. Proviso: the amendments or new documents accomplishing such a merger must provide that:

- (A) The security and priority of all existing mortgages and liens, and the rights of existing mortgagees and other lien holder, shall not be impaired by the merger;
- (B) The then-existing restrictions on the use, occupancy and transfer of units shall not be materially changed as part of the merger; and
- (C) The share of common expenses and ownership of the common elements for each unit in the new condominium shall be a fraction, the numerator of which is the number "one" (1), and the denominator of which is the total number of Living Units in all condominiums being merged.

22. MISCELLANEOUS.

22.1 **Severability.** The invalidity or non-enforceability in whole or in part of any covenant or restriction or any section, subsection, sentence, clause, phrase or word or other provision of this Declaration, or any exhibit attached thereto, shall not effect the remaining portions thereof.
